Sec. of Hall of Fame,

Dear Sir:

Clara Barton
3/5

For some time before your last election, I, as chairman of a Committee from the Augusta Club (the oldest club in Oak Park) spent a great deal of time and effort to have the name of Clara Barton placed in the Hall of Fame but have never learned the result altho' I have written several times. Will you please let me hear from you?

Miss Barton's cousin - Mr. Wm
Barton was for many years
pastor of the First Congregation-
ist Church here. We wrote
to Women's Clubs all over the
U. S. asking them to keep
that this honor might come
to one who so richly des-
erved it.

Yours sincerely

Elizabeth K Jones
